The spectacular seaside setting overlooking both the Adriatic and the ancient Old Town, combined with flawless service and an illustrious 100-year history of royal and celebrity guests, mark five-star Hotel Excelsior Dubrovnik as a landmark hotel. An icon.

The atmosphere of unobtrusive elegance and charm, which balances the hand-picked and meticulously arranged details and complete comfort, focuses on accentuating stunning views of sun-bathed Dubrovnik Old Town over serene Adriatic, which Excelsior so enviably enjoys.

What remains unchanged is the magnificence of the setting: impeccable service, direct access to the beach and three restaurants, all offering cinematic views of the Adriatic, indoor swimming pool in a glamorous spa and fitness centre.

DUBROVNIK

The golden walled city of Dubrovnik is one of the most celebrated beauty spots of the Mediterranean. It is a harmonious showcase of art and civil, religious and military architecture from the Renaissance and Baroque periods. Ragusa was one of the great trading powers of the eastern Mediterranean from the Renaissance to the Napoleonic era. Sidelined from history after that, it was spared ugly industrial development and survived intact, a beautiful city proud of its history and culture.
