Having opened its doors in 1913, Hotel Excelsior is proud to be considered a Dubrovnik landmark hotel.

Facing the old harbor and city walls, its design aims to reflect and complement Dubrovnik's character and style.

Excelsior's conference facilities also honor tradition. Luxurious wood-paneled Mediterranean interiors provide comfortable and motivating meeting environments while unique exteriors provide a setting for memorable leisure and business events alike.

The hotel's six multifunctional conference rooms can accommodate events ranging from 15 to 450 participants. Meeting rooms offer breathtaking views, natural daylight and modern conference equipment, while the Palm Terrace is an ideal venue for unforgettable receptions, weddings or gala dinners, with stunning views of Dubrovnik Old Town.

An exhibition area is available next to the Laurea conference room, while easily accessible breakout areas can be used separately or linked together.

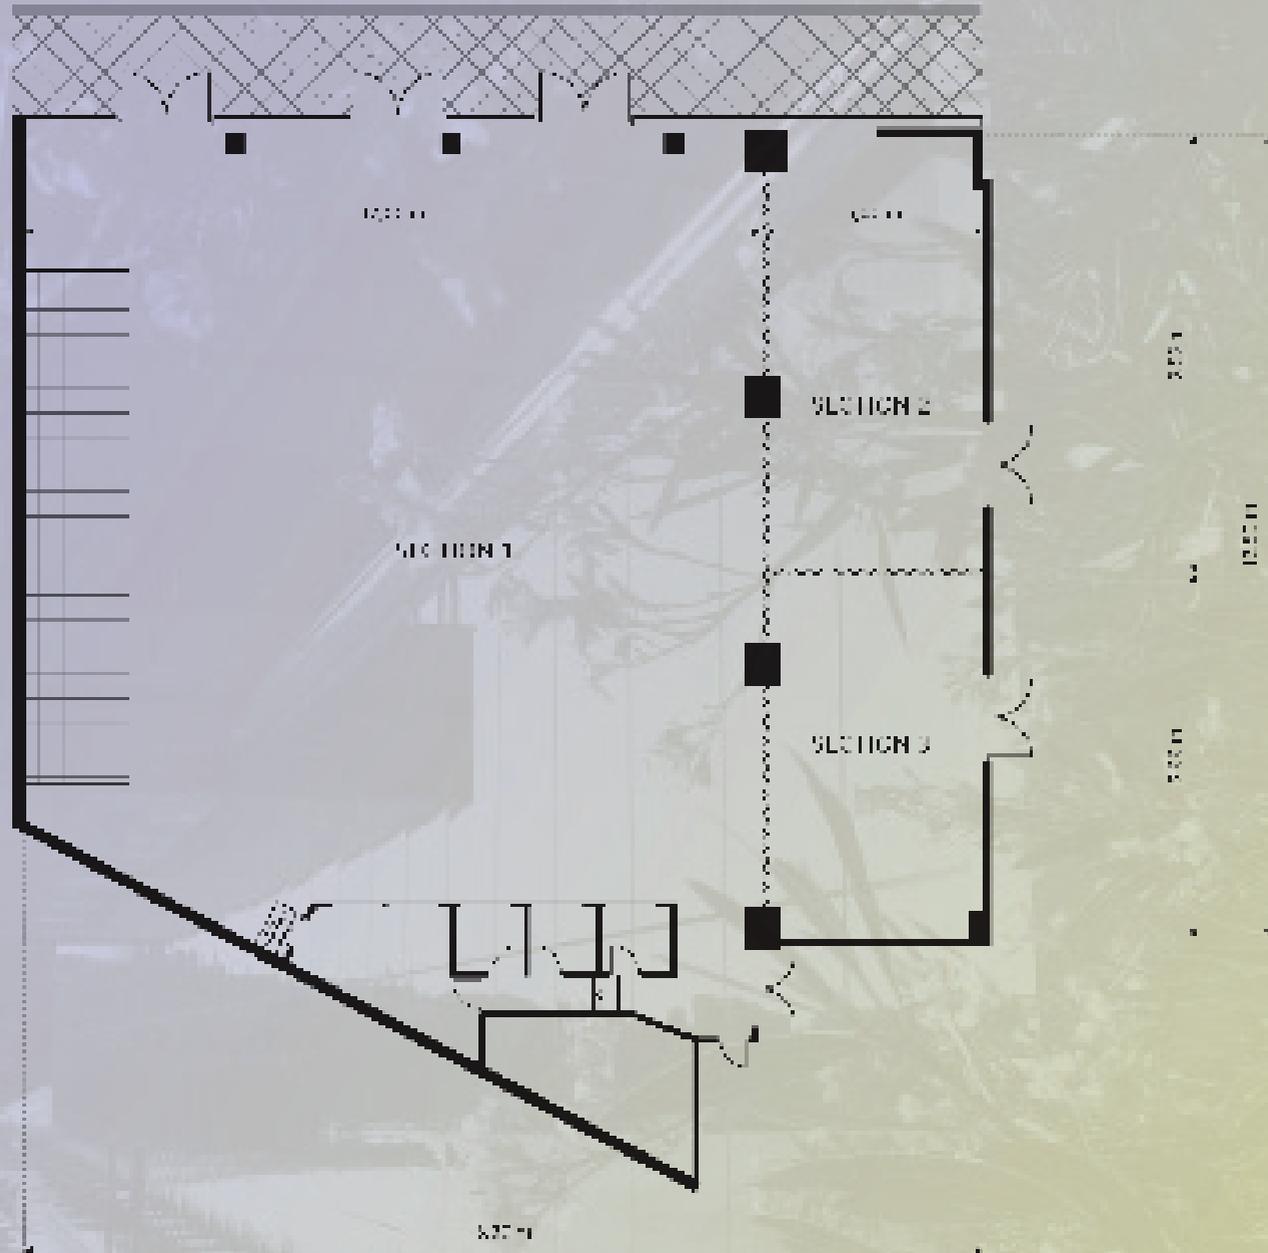

Our professional and attentive staff will be happy to provide additional information and assistance, so please don't hesitate to contact us.
