

VAN DER VALK  
HOTEL DEN HAAG - WASSENAAR

MEETINGS & EVENTS

# WELCOME

With pride, we present the newly renovated 4-star Van der Valk Hotel Den Haag – Wassenaar. Located on the edge of The Hague and near the wooded area of Wassenaar, this hotel is the perfect base for both business and pleasure.

## THE HOTEL

In 2023, the hotel underwent a complete renovation and now offers 225 spacious hotel rooms. Besides standard rooms, we also feature unique options like a Wellness Suite with a private jacuzzi and sauna or a luxurious Penthouse. Enjoy a delicious meal in our Eiber restaurant, relax with a cocktail at the Gastrobar, or grab fresh croissants from the bakery. Afterwards, you can burn off some energy in our modern fitness center.

## LOCATION AND ACCESSIBILITY

From the hotel, you can easily reach the beach of Scheveningen, the vibrant city center of The Hague, or popular attractions such as Madurodam, Sea Life, or Museum Voorlinden. Shopaholics will love The Mall of The Netherlands, just a few minutes away by car.

Van der Valk Den Haag – Wassenaar is easily accessible by public transport and car (located near the A4/A44/A12). The hotel offers plenty of free parking spaces. Schiphol Amsterdam and Rotterdam The Hague Airport are both within 30 minutes. With a bus stop right at the door, you can reach The Hague city center and station in just 10 minutes.

## A SUSTAINABLE CHARACTER

Thanks to heat pumps and solar panels, the hotel operates completely without natural gas. The little gas we do use is self-generated through a bio-digester powered by food waste. The hotel is built to BREEAM standards and includes ecological measures to support local flora and fauna, such as our own beehives, bat houses, and vegetable garden. Additionally, the hotel runs entirely on electricity. We care about our planet and are ready for the future!
